

OPEN ACCESS

Publishing in the Sciences

Robert Schatz, North American Sales Manager for BioMed Central, will give an **overview of open access publishing**, some of its attendant issues, and some specifics about the workings of BioMed Central and Springer and what options are open to libraries and researchers as a result.

Thursday, October 27, 2011
3—5 PM

Gene Center (at Hunter College)
Internet2 Video Collaboration Facility
695 Park Avenue, Room HN 310
