If you would like to submit a proposal, please download a template proposal form from our website below and send it to Open Science at book@openscienceonline.com
<http://www.openscienceonline.com/book/submission>

Open Science Journal of Psychology

Open Science will use a friendly online journal system to timely publish your academic work. Accepted papers are immediately published online! Open Science objective is to inform authors of the decision on their manuscripts within a month of submission.

Submit your manuscript online at
<http://www.openscienceonline.com/common/login>

Pretty Competitive Price

Open Science is committed to the widest possible global participation in open access publishing. To determine the appropriate fee, it uses a country-based pricing model, which is based on the GNI per capita of the country.

Authors from different countries will be charged differently and reasonably. For more details, please visit the following website

<http://www.openscienceonline.com/book/pricingpolicy>

Your Work, Your Copyright

All our titles are published with an ISBN and using Creative Commons licences. These licences mean that you are in full control of your own copyright, and can choose how your work is used by other people. We suggest that our authors opt for a Creative Commons Attribution licence CC BY which allows others to copy, distribute, display and perform your copyrighted work, but ensures that they must give you full credit. All the same rules of plagiarism and citation apply to works under this licence. Details of the alternative Creative Commons licences available can be found here.

Apply to Be a Reviewer, An Editorial Board Member or a Chief Editor

To ensure the quality of its publications, Open Science welcomes you to join it as reviewers and editorial board members. If you are interested in cooperating with Open Science journals, please pay a visit to the following link, download the reviewer application form and then send it to

joinus@openscienceonline.com

<http://www.openscienceonline.com/home/joinus>

Open Science is also seeking scholars interested in serving on its volunteer Editorial Board as chief editors of Open Science journals. If you are interested in this program, please send your CV/resume to

joinus@openscienceonline.com and tell Open Science which journal you would like to join in. **Applicants of chief editors must have a doctorate (or an equivalent degree), and significant publishing and reviewing experience.**

You'll Benefit

- Concessions in Manuscript Registration
- Collaborating with an international editorial team
- Mentoring authors working in an international expertise environment
- Participating in processes to improve editorial work

Subject: CSCanada: TO: Cirasella, Jill Advances in Natural Science Call for Paper

Date: Thursday, October 31, 2013 4:28 AM

From: CSCanada <paacqmixz@sohu.com>

Reply-To: "CSCanada" <ans@cscanada.net>

To: Jill Cirasella <cirasella@brooklyn.cuny.edu>

Priority: Highest

Dear Cirasella, Jill,

Thank you for your kind attention to our notice to you! The academic journal *Advances in Natural Science* is now calling for papers. We sincerely welcome you to submit articles to our journal. The subject of your paper can be any topic in the field of natural science. If you rightly have a manuscript in this field, please don't hesitate to write us an email with the subject of "**Submission for ANS** (<http://cscanada.net/users/index.php/index/login>)". We look forward to your submission at ans@cscanada.org or ans@cscanada.net! And you can read and download articles of the *ANS* from our websites: <http://www.cscanada.org> and <http://www.cscanada.net/index.php/ans> <<http://www.cscanada.net/index.php/ans>> .

Welcome to Join Us

We are now looking for **reviewers** and **editors**. We welcome scholars and professors in this field to join us and cooperate with us to promote the development of this journal and the related academic fields. If you are interested, please send an email to ans@cscanada.org; ans@cscanada.net to ask for more details.

About Us

Advances in Natural Science (ISSN 1715-7862 [PRINT]; ISSN 1715-7870 [ONLINE]) is a **quarterly journal** founded in **2008** by the **Canadian Research & Development Center of Sciences and Cultures**. The release dates of *ANS* are the 20th day of March, June, September and December. Its primary mission is to encourage communications among novel and important research results in various fields of natural sciences.

Our Strength

Advances in Natural Science is filed by **Library and Archives Canada** and collected in the database **AMICUS** of Canada. It is also **indexed by more than 20 famous databases**: American Chemical Society (ACS), ABI/INFORM Complete, ABI/INFORM Global, Academic One File, Academic Search Complete (ASC), AMICUS, Canadian Periodicals, CBCA Business, CBCA Complete, Communication & Mass Media Complete, DOAJ, InfoTrac, Professional ABI/INFORM Complete, Professional ProQuest Central, ProQuest Central, ProQuest High Technology & Aerospace Journals, ProQuest Technology Journals and Open J-gate, etc.

We are looking forward to hearing from you!

Best regards,

J. S. Mokobia

Call for Papers

***ISF 2013, INTERNATIONAL SCIENTIFIC FORUM,
Tirana, Albania 12-14 December 2013***

SUBMISSION DEADLINE: 30th November 2013

Distinguished Colleagues,

We have the pleasure of inviting you to submit your scientific work for the ISF, INTERNATIONAL SCIENTIFIC FORUM, 12-14 December 2013 which will be held at the “Vitrina” University, Tirana, Albania.

All accepted papers will be published as a special publication with an ISBN number. The author will be sent a printed copy of the publication after the conference finishes.

The papers will be also published in a special edition of one of the most Influential international scientific journals in South Europe, The European Scientific Journal (ESJ).

The authors of the accepted papers are not obliged to present their works (personally or online).

ISF 2013 joint summit event organized by: European Scientific Institute, “Vitrina” University and the University of The Azores.

Supporting the concept of interdisciplinarity we welcome submissions in all academic fields.

Sincerely,
European Scientific Institute

Vitrina University, Albania
University of The Azores, Portugal
